

More members Less hassle

Golf Club Membership Finance

Why use TGI Golf Finance Membership Finance facility?

If you'd like to improve your club's cash flow and help your members spread the cost of their subscription, our flexible finance options are just what you need.

As a golf club, you can choose to offer our 10 month interest free finance or interest bearing finance products depending on what works best for you.

Unlike other providers, if your customer defaults on their finance agreement Hitachi will not recall the money from you.

That's right - no hassle!

If your customer fails to pay back their membership loan, we will recover the monies, leaving you free to do what you do best – run the golf club.

Why will TGI Golf Finance Membership Finance benefit my club?

More members

- Attract new 'full membership' members to your club.
- Stimulates existing member referrals and recommendations.
- Promotes your club to a younger membership demographic who will be the future generation of your core membership.
- Will help incentivise existing members to upgrade to full membership.
- Reduces the number of members who consider leaving your club for financial reasons.
- Improves cash flow - Hitachi will pay your club within 5 working days of your member signing their finance agreement.

Less hassle

- If the customer doesn't pay, Hitachi Capital UK will not recall the funds you were originally paid.
- Free to get your club setup - No setup fees.
- Easy to administer & instant decision - Members can apply for finance 24/7 online via our fully paperless system.
- Allows your club to focus on recruiting new members.
- Unlimited support from one UK office - we are open 7 days a week and will provide ongoing training and support.

How will TGI Golf Finance Golf Membership Finance benefit your members?

- Pay in 10 monthly instalments instead of having to use a credit card or pay upfront by another means.
- Spread the cost of joining fees as well as the annual subscription.
- Two months payment free! - Members will have two months of the year where no payments are required, which are generally in the winter months depending on your clubs membership season start month.
- Encourages members to introduce additional family members to the club.
